

DESIGNERS INFLUENCERS CREATORS

WELCOME TO REM

For over 100 years REM and its' Predecessors have been producing Furniture and Equipment for the Hair, Spa and Barber Industry. Now based in Nelson, Lancashire the REM factory houses a full Design Facility with CAD Technology, Hi-Tech machinery including CNC Technology and a Fleet of Delivery Vehicles servicing Mainland UK.

Attendance at Trade Shows both in the UK and Overseas has helped the REM brand gain momentum and is now seeing a healthy growth in Export Sales boasting a Distributor in most countries around the Globe.

Now specialising in Quality laminated and upholstered furniture REM is the leading British Manufacturer in the Industry and continues to develop its people and products to ensure future growth in the Global Market.

For anyone wishing to see the REM range of Furniture appointments can be made to visit their extensive Showroom at REM HQ or alternatively you can visit one of 17 other Showrooms situated around the UK, addresses available on request.

This brochure will give an insight into the world of REM and what they have to offer you and your business. It will guide you through the process offering inspirational imagery, explaining the buying process and the features and options of each and every product including colour swatch selection and technical data.

Should you require further assistance, the REM Website (www.rem.co.uk) will further explain the REM product range and it's many features offering news, advice and enquiry opportunities along with the new REM Configurator which allows you to see your chosen products in any and all colours from the REM Swatch of 49 different fabrics and laminates - give it a try, you won't be disappointed...

SUSTAINABLE MANUFACTURING

In an ever changing World and with emphasis being placed on the Environment and Climate Change REM have embarked on a new pathway with our Carbon Footprint and Sustainability in mind. For some years now we have been changing and challenging our Supplier Base into providing product and componentry originating in the UK and on this score we have made great strides. The materials we now use are certified and carry the required standards to comply with UK Manufacturing. Our woods and packaging are FSC marked promoting the responsible management of the World's Forests. Our printed media is trademarked by the World Land Trust as Carbon Balanced Paper. Investment in technology is constantly reducing waste in our manufacturing processes and helping us to become leaner and more cost effective in our production. Here are a few

more of the improvements we have made in reducing both our Carbon Footprint and Waste.

- Surplus wood is used to heat the factory reducing the demand for Gas
- Wood shavings and sawdust are given to local Farmers for Animal bedding
- Packaging Waste has been significantly reduced by introducing new delivery methods.

In 2022 we started working with a group called Just One Tree to help increase our Corporate Social Responsibility and reduce our Environmental Footprint. Just One Tree is an organisation dedicated to removing CO2 from the atmosphere and reversing biodiversity loss through global deforestation. In three campaigns, and with more to come, REM

are not only helping Just One Tree plant trees around the World but also helping to educate the next generation in the importance of protecting our Natural World.

Now, following Government guidelines issued during 2022 groups are being formed to help UK Manufacturing Companies prepare themselves for a Carbon Zero 2030. In August and with guidance from the East Lancashire Chamber of Commerce REM joined the Green Rose, a group member of the Chamber of Low Carbon. The Green Rose programme provides support and guidance to businesses implementing a recognised environmental management system aimed at meeting the requirements of ISO 14001, 14005, BS 8555 or EMAS. It's a long journey and we, like others, have a lot to learn but our commitment is there and in place to achieving a Net Zero 2030.

To learn more about our Environmental Policy visit our website on www.rem.co.uk

HOW TO BUY

Buying REM products is a fun and exciting process, just follow these 5 simple steps!

1 CHOOSE A DISTRIBUTOR

Visit www.rem.co.uk to find an REM distributor near you, or contact our sales team by phone on **01282 619977** or by email at **sales@rem.co.uk**
Please Note – REM products are only available through one of our 600 worldwide distributors.

2 SELECT YOUR PRODUCT

You can find our products in this catalogue, on our website, or on one of our REM distributor's website.
As a trade manufacturer and supplier of Professional Hair & Beauty Furniture the prices shown in our catalogue excl VAT.

3 VISIT OUR SHOWROOM

At the REM Showroom you will find the worlds largest display of REM furniture. We have over 200 beautifully crafted furniture items for you to Try Before you Buy. You will receive a warm and friendly welcome from our expert Sales Team who offer advice, ideas and tips on creating a stunning Salon environment.

4 PERSONALISE YOUR CHOICE

Once you have chosen your products, you can choose from over 49 different colour options (displayed on pages 128 - 131). Once you have finalised your REM order, you will receive an accurate delivery date from your distributor.

5 DELIVERY*

Each product page specifies typical lead times for all products for delivery via designated carriers or the REM fleet of vehicles. A premium 2 man delivery is also available (POA).

Page 6 contains a number of items held in stock for any urgent needs and can be delivered within 14 days of your confirmed order.

Disposal of your old appliance.

The crossed-out wheeled bin symbol which you will find on the 'Rating Plate' attached to your product, or appearing in the Assembly/ Operating Instructions, signifies an obligation by the purchaser or owner, to dispose of the equipment in accordance with the European Directive 2002/96/EC. This is a statutory instrument commonly known as the 'WEEE Regulations', which effectively requires you to carry out disposals of all Electrical and Electronic Equipment separately from your usual waste facilities. Specialist waste controls, designated by the Government (or Local Authorities) are to be made available to prevent potentially harmful substances affecting the environment and causing possible human and animal health risks.

More information is available from your local Environmental Health Office, Local Authority Waste Disposal Service, or the sales point from which the product was originally purchased.

REM WEEE Reg No:
WEEE/BJ0066TW

REM Design

Using our industry expertise and creative flair, REM Design can help you plan your dream salon, offering advice on products, colours and layout to help you get the most out of your budget.

Whether your salon is large or small, and regardless of budget, we are always excited by the opportunity to create an environment that is stimulating, motivating and inspiring for your staff and clients.

With an extensive range of furniture to choose from, you can personalise your salon by using our REM Design service. The REM Design experience begins with one of our knowledgeable team members arranging to meet with you to discuss your project. During this visit, accurate site measurements will be taken before discussing your needs and preferences, and explaining the REM Design process - detailing styles, colours, quantities and potential layouts to help you realise your dream.

Once back in the office, our design team uses the measurements taken to create a set of bespoke scaled floor plans and 3D visuals to suit your brief. Our state-of-the-art, industry-leading CAD technology ensures that these visuals accurately represent both your salon and our design. We combine your vision with our expertise to deliver a range of inspired designs that will accurately represent your brand.

When your requirements include items not offered on our standard range, such as reception desks, seating or styling sections, we can design and build bespoke solutions to your exact specifications using REM Bespoke.

At REM, we understand that today's working environments have to be responsive to the changing needs of the contemporary workplace. With this in mind, the designs we offer are inspirational and tailor-made to reflect the image and reputation of your salon.

This service is available for £295+ vat, which is refunded upon placement of an order totalling £3000 or more.

REM's extensive showroom in their factory, Nelson Lancashire is open to visitors 5 days a week (Mon-Fri) Appointments can be made to view the showroom by calling REM Reception on 01282 619977.

REM Brand

At REM we offer a customised brand embroidery service to complete the look of your salon and reinforce your brand in a stylish, professional manner. We can provide detailed brand embroidery on all of your styling chairs, barbers chairs and stools.

All we require is for you to send us a full colour JPEG with your logo, specify the desired size of the embroidery, and let us do the rest. Our embroidery team has a wealth of skill and experience, and can produce accurate, consistent results throughout your entire salon.

REM Commitment

REM has made every effort to ensure that the products presented in this catalogue are as the original. To provide the highest levels of product quality, we may occasionally alter the material specification of our products. Any such change will not significantly alter the look or functionality of the product. Dimensions quoted are accurate. However, if our products need to fit in particular spaces, ensure that you obtain precise measurements and discuss any queries with our technical staff. All products sold are subject to availability.

Printing and the Environment

This catalogue is printed by Sterling Solutions using the latest print technology that reduces environmental impact by using 100% vegetable based inks, low waste and renewable energy sources. 97% of all waste is recycled.

Sterling Solutions is ISO 9001:2000, ISO 14001, ISO 18001, ISO 27001 accredited, and participates in the FSC and PEFC schemes to promote the sustainable and ethical management of forestry.

REM 3 YEAR GUARANTEE

REM will repair or replace at our discretion, any defective product within three years from date of purchase. Within the first year parts and labour are covered. In years two and three parts only are covered and the installation or fitment will be at the owner's cost. This guarantee is in addition to your statutory rights.
