ONLINE BIG BOUNCY BLOW-DRY HAIR STYLING COURSE

Learn how to create big bouncy blowout looks that your clients want. Focus on creating volume, curls, discuss product application, and specific techniques to get the look and make it last all through a live interactive webinar session with an expert educator.

TOP FEATURES

Prior to your live webinar you will receive access to an online learning portal to complete the following

- Health & Safety
 - Hair and scalp analysis, including consultation techniques and contraindications
 - Client Consultation and managing expectations
- The live webinar practical session will cover
- Demonstrations on various blow-drying and styling techniques, including the use of tongs and straighteners and the big bouncy blowout look
 - Product recommendations, aftercare advice and price guidance

KEY LEARNINGS

- The core skills required to dry and style the hair using various methods
- Health and safety knowledge to carry out the service confidently

ADDITIONAL INFORMATION

- Students must be at least 18 years old
 - A week before the webinar you will receive access to the online learning portal via email, this must be completed before your live practical session, we estimate this will take up to 90mins dependent on your pace
 - 1 day 9.30am – 1.30pm or 2pm–6pm via live webinar
 - A minimum of 2 delegates are required to run a session, in the rare event of you being the only booking a week prior to the live webinar, you will be contacted to arrange a rescheduled session date
 - Students are required to work on a human hair training head during the live practical session, no model required
 - Students are required to have access to their own professional tool kit and purchase any additional items required
- *full kit list can be found on page 26*
- After your webinar you will have access to various reference video tutorials via the online learning portal valid for 1 year
 - Upon completion you will receive an accredited e-certificate
