DEFINITIONS AND INCORPORATION

In these terms and conditions the Seller or Company means Sally Salon Services Limited (where the order is placed in the United Kingdom) or Sally Salon Services (Ireland) Limited (where the order is placed in the Republic of Ireland). The Buyer means a person purchasing goods from the Seller or Company under these terms and conditions.

These terms and conditions shall apply to every order for the purchase of goods made by the Buyer. Orders made via the Seller’s websites, including Sally, Salon Services and Beauty Express (“Websites”) to the exclusion of any other terms and conditions that the Buyer may wish to rely upon.

PAYMENT

The price of goods will be set out in the Company’s catalogue prevailing at the date of placing the order. All prices are exclusive of VAT and delivery costs.

Payment should be made without prior notice. All quotes are valid for 30 days from the date of issue. Promotions and prices may differ or not be available as between the Seller’s stores and Seller’s Websites. Delivery charges will be provided upon request.

DELIVERY

The Seller can arrange delivery in the event that collection is not possible. Delivery will be completed when the goods have been delivered to the address provided by the Buyer or when the goods have been collected by the Buyer. If the Buyer is advised to have the item collected on hand as couriers will only deliver to premises kerb side and will not enter premises. Delivery will be completed when the delivery up or down stairs or into premises where there are hazardous conditions is required by the Buyer, prior agreement must be obtained from the Seller and an extra delivery charge will apply. The Buyer must ensure any items are ready to be collected for; if a delivery is unable to be completed for reasons outside the control of the Seller, a second delivery charge will be charged (if applicable). Faulty or damaged goods in good faith may not be collected.

Claims for loss or damage to goods in transit or on collection will not be accepted unless the Company is advised within 48 hours of delivery of the goods in the case of damage and within 48 hours of the delivery date in the case of loss.

RISK AND TITLE

Risk in goods passes to the Buyer on receipt by the Company or its designated carrier (whichever is the earlier) of a proof of delivery note signed by the Buyer or an agent.) to enter any premises of the Buyer or of any third party where the goods are stored in order to recover them.

GUARANTEE

All items are sold subject to the manufacturer’s warranty and warranty conditions. Certain restrictions apply; please see more details. If the Buyer is aware of the warranty conditions will invalidate your ability to rely upon the guarantee. Where a claim on guarantee is made it must be accompanied by the original receipt of purchase. The warranty conditions for Salon Services goods can be found online at salon-services.com. All warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from all orders for goods supplied by the Seller to the Buyer.

LIABILITY AND LIMITATIONS

The Seller supplies goods for internal professional business use only and the Buyer warrants and agrees that it is and those under its control and/or direction are competent and qualified in using the goods, that the Buyer is purchasing the goods strictly on a business to business basis and agrees not to use the goods for any re-sale purposes. The Seller will not be liable for any injury, loss, damage, costs or expenses caused by unqualified persons using the goods or from the misuse of the goods by trained or untrained persons. The Company does not attempt to exclude its liability for death or personal injury caused by its negligence or fraudulent misrepresentation.

The Company shall have no liability to the Buyer for damage to goods caused by incorrect installation by the Buyer or its agents or if the goods have been tampered with or have had parts added to them which are not original and/or have not been authorised by the Company or the manufacturer.

The Company is not liable for damage to goods caused by normal wear and tear. Fragile items (e.g. glass or mirror) and/or consumable items (e.g. neon lights and bulbs) should be inspected on delivery. If goods are not obvious in satisfactory condition before signing as this may affect future claim that the goods are not satisfactory. Warranty guarantees are only available as between the Seller’s stores and Seller’s Websites. Delivery charges are not refundable (unless otherwise agreed in writing with the Seller) with balances due and payable in full 7 days prior to collection or delivery.

COLLECTIONS

The Seller will give the Buyer 24 hours advance notice when the order is ready for collection. The Buyer shall collect the order within 48 hours of the Seller giving it notice.

ASSEMBLY

Please note that most equipment requires some assembly which will be the responsibility of the Buyer.

CANCELLATION

Prior to or at the time of collection, cancellation will only be accepted on the following terms:

• All transport and handling costs incurred by the Seller in getting the goods to the store ready for collection will be charged to the Buyer and the Buyer agrees that such charge can be deducted from any deposit monies (if any) paid on account.
• Goods ordered “Direct from the Supplier” or items which the Buyer has made in good faith cannot be cancelled under any circumstances. Any unpaid balance of such goods remain due and payable.

RETURNS

When goods have been ordered in error or are not as expected, the Company may accept a return in the following circumstances and subject to the following conditions:

• Items ordered ‘Direct from the Supplier’ or which are bespoke or custom made cannot be returned or refunded or exchanged.
• A request must be made in writing to the Company within 30 days of collection or delivery after which time no requests will be accepted by the Company.
• The goods must be in their original condition (including outer packaging), unused and in perfect salable condition.
• Any refunds or credits will be subject to the deduction of a handling fee equivalent to 10% of the price of the goods being returned or all transport costs incurred by the Seller in delivering the goods to the delivery address or to the store where collection was to take place, whichever is the greater.
• Delivery costs in returning the goods to the Seller are the responsibility of the Buyer.
• The Seller can arrange for collection of the goods at the Buyer’s cost. Additional costs will be charged by the Seller if the goods are not available for collection at the agreed time and location.
• Refunds or credits will only be given after the goods have been returned and inspected by the Company.
• It is at the Company’s sole discretion whether to offer a refund or a credit.
• Returned goods will be taken to a 21 working day unreturn period. Where the item was returned for fault reasons due to faulty goods the Seller will at its discretion either offer a replacement for the faulty item including any original delivery charges paid by the Buyer and the Buyer’s reasonable costs in returning the item to the Seller.

RISK AND TITLE

Risk in goods passes to the Buyer on receipt by the Company or its designated carrier (whichever is the earlier) of a proof of delivery note signed by the Buyer or purchasing agent. This is the delivery address as stipulated on the order or on personal collection by the Buyer. The Buyer should ensure the goods are in satisfactory condition before signing as this may affect future claim that the goods were either damaged in transit or on collection. Title of goods remains with the Company until payment has been received in full in cleared funds. The Buyer agrees that until payment has been received in full, the Buyer will hold the goods on a fiduciary basis as the Seller’s bailee and the Buyer will only dispose of the goods at all times. Until ownership in the goods passes to the Seller, the Buyer (or its appointed agent) may at any time require the Buyer to deliver up the goods and, if not, the Seller (or its appointed agent) to enter any premises of the Buyer or of any third party where the goods are stored in order to recover them.
