LASHCURL, LASHLIFT & LASH TINTING

Master these simple techniques that offer a daily alternative to wearing mascara and using mechanical eyelash curlers.

Lashcurl: A simple, safe and effective way to enhance the appearance of the eye, giving an instant curl to the natural lashes.

Lashlift: Lashes are lifted right from the root using a unique silicone curler to create the illusion of length and volume.

Lash/Brow tinting: A popular salon treatment to enhance and define lashes and brows.

TOP FEATURES

- Lashcurl/ Lashlift treatment procedures including the lift and tint combined technique
- Eyelash and Brow tinting procedures using colour guides
- Troubleshooting, promotional and marketing advice
- Client consultation, contra-indications and client care

KEY LEARNINGS

- Understanding of the procedure and products for the lashcurl, lashlift and lash/brow tinting treatments
- The skills and knowledge required to successfully perform these treatments
- Health and safety knowledge, aftercare advice for the client and troubleshooting

ADDITIONAL INFORMATION

- Students are required to work on each other (or bring a model if they are the only student)
- Students must be at least 18 years of age
- A patch test must be performed at least 48hrs before attending the course
- Students are required to arrive wearing minimal eye make-up and no waterproof mascara or eyelash extensions
- Students will need to remove contact lenses so should make provisions for this
- 1 day 10am – 5pm
- 7 CPD hours

MICROBLADING

Microblading creates the perfect brow by applying semi-permanent colour with an incredibly fine, sterile blade. Tiny hair strokes are delicately drawn on the brow area with the blade to create perfectly shaped, long lasting brows that can last up to 18 months.

TOP FEATURES

- Become a true brow expert by learning the highly popular Microblading treatment.
- Learn how to create new brow shapes and styles using curved hair strokes which mimic real hair in thickness and direction of growth.
- Each hair is individually drawn by hand, allowing you to create bespoke brows for your client.

KEY LEARNINGS

- Full understanding of the Microblading treatment and products.
- Gain full knowledge on brow mapping, styling and complete colour theory.
- Understand health and safety, consultations, aftercare, maintenance and retail opportunities
- Skills and knowledge to perform the treatment successfully and effectively.
- Gain confidence performing the treatment under the observation of skilled microblading trainers.

ADDITIONAL INFORMATION

- Students need to hold a certificate or qualification in Hi Brow or other brow training prior to joining this course.
- You will receive a link via email to complete some pre-course work
- Price includes the Microblading Kit worth £800 With enough product for up to 40 treatments
- After the course you will be required to carry out 8 case studies to be assessed before receiving your certificate
- Students are required to bring a model on the second day at 1pm.
- Students must be at least 16 years of age
- Students will be required to concentrate for long periods of time, if you normally wear glasses bring these with you

ANATOMY & PHYSIOLOGY

This session is an introduction to your online anatomy and physiology course. The educator will introduce you to the course, issue your workbook and answer any questions you may have

TOP FEATURES

- Learn at your own pace – attend a short course to aid your understanding of anatomy and physiology and receive advice on how to complete your workbook
- The anatomy and physiology workbook breaks down the different systems of the human body into easy-to-follow, bite-size chunks so you can understand the body
- With plenty of space for you to fill in your answers and make notes, each section is followed by a Q&A section that is completed by the student, once all sections are completed they are then submitted online for marking

KEY LEARNINGS

- You will receive a recognised certificate on successful completion of this course

ADDITIONAL INFORMATION

- Students must be at least 16 years of age
- Students will have the opportunity to complete the course in their own time via email
- This course requires 3 hours attendance then up to 3 months to complete
- ½ day 10am – 1pm introduction followed by up to 20 hours online to be completed within 3 months
- Whilst working through this you may book on any of our massage or hot stone courses
- Workbook is included in the cost of this course

TRADITIONAL BARBERING

The Traditional Barbering course is the most thorough path to becoming a barber. Throughout the day, students will learn about the quintessentially British history of barbering and why it's so important to give tribute to tradition.

TOP FEATURES

- Practical session where students will practice scissor-over-comb techniques and perform a short clipper-comb taper cut
- The history of barbering
- Overview of cutting tools

KEY LEARNINGS

- Cutting different shapes using traditional barbering techniques
- Learn how to carry out scissor-over-comb, layer-over-comb techniques, clipper-over comb, tapering and flat-top techniques
- Health and safety knowledge to carry out the service confidently

ADDITIONAL INFORMATION

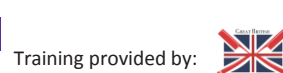

- Students may bring up to 1-2 models (male only) if preferred or work on the gents head
- Model(s) should arrive at 12.30
- Students and models must be at least 16 years of age
- Students are required to have some hair or barbering experience or be enrolled on a current hair course
- 1 day 10am – 4pm
- 7 CPD hours
